## Formation in Holiness: Virtue, Growth and the Spiritual Life

7-10<sup>th</sup> September 2015

University of Durham

In a global landscape where religion can frequently be reactive rather than formative, the Catholic Theological Association gathers to consider the distinctive traditions of Christian living. This conference offers an opportunity to reflect on the sources and practice of the spiritual life.

Possible themes include:

Spirituality in contemporary culture

Scripture lived out in the world

Christian thought and plurality

Thinkers in spirituality

Ethics and moral formation

Prayer, liturgy and action

We welcome submissions for 20 minute short papers addressing any aspect of spirituality, formation and practice, as well as broader theological topics.

We are particularly keen to prioritise new voices in theology and papers offered by non-members are welcome. Those interested may send a 300 word abstract and a brief CV to the Secretary, Amy Daughton, [ald36@cam.ac.uk](mailto:ald36@cam.ac.uk), by May 28<sup>th</sup>, 2015.
